REGULATIONS FOR THE BOARDING-HOUSES of the Hamilton Manufacturing Company. The tenants of the boarding-houses are not to board, or permit any part of their houses to be occupied by any person, except those in the employ of the company, without special permission.

They will be considered answerable for any improper conduct in their houses, and are not to permit their boarders to have company at unseasonable hours.

The doors must be closed at ten o'clock in the evening, and no person admitted after that time, without some reasonable excuse.

The keepers of the boarding-houses must give an account of the number, names and employment of their boarders, when required, and report the names of such as are guilty of any improper conduct, or are not in the regular habit of attending public worship.

The buildings, and yards about them, must be kept clean and in good order; and if they are injured, other-wise than from ordinary use, all necessary repairs will be made, and charged to the occupant.

The sidewalks, also, in front of the houses, must be kept clean, and free from snow, which must be removed from them immediately after it has ceased falling; if neglected, it will be removed by the company at the expense of the tenant.

It is desirable that the families of those who live in the houses, as well as the boarders, who have not had the kine pox, should be vaccinated, which will be done at the expense of the company, for such as wish it.

Some suitable chamber in the house must be reserved, and appropriated for the use of the sick, so that others may not be under the necessity of sleeping in the same room.
